NON-DISCRIMINATION

The contractor, including any sub-contractors, shall not under this contract discriminate against any qualified person with a disability or any person based on race, color, national origin, sex, age or limited English proficiency. The Road Commissions non-discrimination requirements apply to all road construction projects regardless of funding source. Federally funded projects (including those with any past federal participation) will included a more detailed explanation of the various sections of the 1964 Civil Rights Act, showing titles, section numbers and codes.
